CORE SERVICES

— 01

Payroll Tax & Strategic Advisory

\$8,000 – \$15,000 / month

Multi-jurisdictional reconciliations, notice resolution, audit readiness, and compliance strategy aligned with your growth trajectory. For companies where payroll tax complexity is a real risk.

— 02

Compliance & Workforce Risk

\$2,000 – \$5,000 / month

Payroll tax, multi-state requirements, HR integration, and workforce risk management. ADP, SAP, and Oracle fluent. Built for organizations managing complexity across jurisdictions.

— 03

Operational Excellence & Scaling

Starting at \$3,500

Operational audits, SOP development, team structure design, financial oversight, and strategic planning infrastructure. Builds the machine behind the business.

— 04

Creator Business Advisory

\$500 – \$1,500 / month

Business structuring, payment frameworks, contract navigation, tax strategy, and operational systems for content creators and digital entrepreneurs ready to run their platform like a real business.
